When changes are made in any Tariff page, a revised page will be issued canceling the Tariff page affected; such changes will be identified through the use of the following symbols:

- (C) Denotes a change in: listing general regulations, or condition, which may affect a rate or charge.
- (D) Denotes discontinued material including: listing, general regulation, condition, rate or charge.
- (I) Denotes increase in rate or charge.
- (L) Denotes material relocated from or to another part of the Tariff, with no change in text, regulation, rate or condition.
- (N) Denotes new material including: listing, general regulations, rate, charge or condition.
- (O) Denotes an obsolete rate, regulation or text.
- (R) Denotes a reduction in either rate or charge.
- (T) Denotes a change in wording of text, but no change in: listing, general regulation, condition, rate or charge.

Note: The above symbols are standard indications which may be used to denote revisions or additions to general regulations, listings, rates or charges after initial filing of the Tariff.
